SIR,

SUBJECT - Grant of a portion of the compound of the Centra High School, Bangalore City, free of cost, to th Arya Vaisya Vyayamasala, for constructing a Gymnasium

In continuation of this office letter of even number dated 19-2-1946 on the above subject, I have the honour to state that it is ascertained that part of the school Cricket pitch and the entire Basket ball and foot-ball ground are situated in the ground proposed to be given for the construction of the Vyamasala and the play ground facilities of the school already meagre, would be considerably curtailed if that portion is taken away More-over, the extension of the school building by the construction of four more rooms and some other improvements which have been undertaken recently will further curtail the area of the play and Drill field of the school

In view of the above, it would be definitely against the interests of the hundreds of pupils attending the school to reduce the already limited compound of the school and thereby greatly restrict the out-doc activities of the pupils and endanger their health and physical well being

I have the honour to be,
Sir,
Your most obedient servant,

Respected Sir,

have great pleasure in informing you that the above Vyayamasala was started in 1933 in Avenue Road with the objects of training the youths in physical culture and body building. As we did not possess a building of our own, all the activities were taking exercise in a rented building. A large number of students and merchants are trained daily for the last twelve years and physical culture demonstrations, both in the Indian and western style, are being exhibited every year during the Ganapathy festivities at the premises of the late Mr. C. Venkataramiah Setty's Hostel, Avenue Road, Bangalore, under the presidentship of the Commissioner and the presidents and other respectable gentlemen of Bangalore City.

With a view to construct an adequate building for taking the above exercises both in the morning and evenings, we are able to collect about Rs. 2,500/- for the last ten years and a further sum of Rs. 3,000/- to 4,000/- is promised to be paid by some of the Vyayamasala members. As we do not have a site for constructing the building, we have approached the Bangalore City Municipal President with applications dated the 25th July, 1940 and 17th August 1940 and he was kind enough to promise in his D.O. letter No. [illegible]/39-40 dated 11th/14th September 1940 to grant us a site free of cost in some part of the Cubbon Park, but since nothing has so far come in our favour, we are greatly perplexed.

Therefore we request you to grant us a site in the place as shown in the sketch separately attached measuring [illegible] feet, we are bound to erect the building at our own cost.

I need not dwell upon the importance of the Indian and western exercises to the youths in general and more particularly to the students and health for carrying on their daily routine from [illegible] this institution is the first of the kind that has ever been permanently established in the heart of the busy City and [illegible] other Gymnasium is existing anywhere nearby. I request you to grant the sanction of the above mentioned proposition to grant us a suitable site and thus help us to have a Gymnasium for our purpose.

The following are enclosed herein for your kind perusal:

A Copy of D.O. letter No. [illegible], Dr. No. [illegible]/8-39 dated 25-7-40 from the Asst. Commissioner, Pete, to the Secy. Accident / V.V. Sala,

B A copy of the aims and objects of the V.V. Sala,

C A Plan showing the place [illegible] marked

Hoping that you will kindly comply early with our request and thanking you in anticipation,

Yours faithfully,

[redacted] dated 15th February 1941 from the [redacted] City to Mr. S. V. Srinivasa Setty [redacted] Avenue Road, Bangalore City.

[redacted] reference to your application dated 28th October [redacted] for the grant of a site in Gandhinagar on behalf of [redacted] Vyayama Sala, Avenue Road, for construction of a building for the training of youths in line of phisical Culture, I write to inform you that the request will be considered when sites are formed in Gaduriah Mutt land, as no sites are available in Gandhinagar at present.

I have great pleasure in informing you that the above Vyayamasala was started in 1933 in Avenue Road with the object of training the youths in Physical culture and body building etc As we did not possess a building of our own, all these days we were taking exercise in a rented building A large number of students and merchants are trained up for the last twelve years and Physical culture demonstrations, both in the Indian and Western Style, are being exhibited every year during the Ganapathy festivities at the premises of the late Sr C Venkataramiah Setty's Hostel, Avenue Road, Bangalore, under the presidentship of the Commissioners and the Presidents and other respectable gentlemen of Bangalore City

With a view to construct an adequate building for taking the indoor exercises both in the mornings and evenings, we were able to collect about Rs 2,000/- for the last ten years and a further sum of Rs 3,000/- to 4,000/- is promised to be paid by some of the Vyayamasala Since we do not have a place for constructing the building, we have approached the Bangalore City Municipal President with applications dated the 28-10-38, 1-9-41 and 17-9-43 and he was kind enough to promise in his D O letter No A6 Dr 166/38-39 dated 13-2-41 to grant us a site free of cost in Gandhinagar, at the Goduriah Mutt land, but since nothing is so far done in our favour, we are placed in great difficulties

Therefore we request you to grant us a site in the place as shown in the sketch separately attached measuring 100 x 1 we feel greatly obliged in this respect and we will soon be able to erect the building at our own cost

I need not stress upon the importance of the Indian and Western exercises to the youths in general and merchants to gain proper strength and health for carrying on their daily routine of work as this Institution is the first of the kind that has ever been permanently established in the heart of this busy City and since no other Gymnasium is existing anywhere nearby, request you again in continuation of the above said previous applications to kindly grant us a suitable site and thus help us to have a building sufficie for our purpose

The following are enclosed herein for your kind perusal

B A copy of the aims and objects of the A V V Sala

C A plan showing the place where needed

Hoping that you will kindly comply early with our request and thanking you in anticipation,

Yours faithfully,
